- STEP THREE

- Taking the ideas you have above, begin brainstorming your This I Believe vehicle. You may find that you want to write out more than one. Again, that is okay. By beginning with the vehicle, you will be better apt to understand which story may attract the reader's attention more, or be more likely to speak to your audience.

- STEP FOUR

- Do you plan to use a metaphor to portray your learning?
- Is the imagery you using effective?
